

Cotgrave Advice Centre

Over 30 Years of Caring

The Advice Centre has now been able to set an opening date of 30 July 2020. We will run our normal Thursday morning service from 9 to 12 via an appointment system. We will be able to offer our usual face-to-face service with systems in place to ensure safety for all clients and staff.

When this proves successful we will extend our opening to two mornings a week by also opening on Tuesdays. In the meantime our mobile phone 07904 713006 and email service will be available on Tuesday mornings. Our website is up to date and available 24 hours a day at www.cotgraveadvicecentre.org.uk.

To book an appointment please either telephone on Tuesday or Thursday mornings on our mobile phone, leave a message on our office phone 0115 9893294, or email us at cotgraveadvicecentre@gmail.com, A brief outline of your problem would be helpful, together with your name and telephone number or email address. We will confirm all appointments as soon as possible.

In the meantime we hope all our clients are keeping safe and as a large proportion of them are vulnerable hope they can access our facilities via our email and phone. Keep Alert.
